Making Disciples Outside the Church

Jarret Hamilton of Generation Church and LCN's Local Center in Clayton, North Carolina, shares about the importance of making disciples outside of the church context. These last few years have highlighted the need to teach people how to make disciples where they live, work, study, play, and shop. It is incumbent upon pastors and leaders to encourage people to look beyond the church walls to reach our local communities with the Gospel.

LCN Leadership Retreat March 6-8

LCN's annual Leadership Retreat was held March 6-8 in Orlando, FL. This is an event we look forward to every year as a time to pour into our Local Center leaders who work tirelessly to encourage and equip pastors and leaders in their local communities. It is always a time for us to recharge our minds and spirits in our lifelong commitment to making disciples for Jesus.

"Called to bear the presence and message of Jesus Christ around the globe."

Liberty Baptist Fellowship (LBF) was first established in 1982 when several graduates of the seminary expressed their desire to become chaplains in the United States Armed Forces. Under the leadership of Dr. Dennis Fields, Dr. Lew Weider, Dr. Charlie Davidson, and now Dr. Steven Keith and Dr. Keith Travis, LBF continues to be the endorsing agency for hundreds of chaplains serving in the military, healthcare, prisons, public safety, and in many other community positions.
