Discipleship Happens at the Speed of Relationships

Dave Farris of Northstar Pulaski in Dublin, Virginia, shares how discipleship happens at the speed of relationships. Through The Timothy Initiative's "Disciples Making Disciples" program, Dave has seen believers grow in their relationship with God and with each other. They have been spurred on to leadership positions and more importantly, to making more disciples. Discipleship at its core is about building relationships - with God and with other people. It takes time, investment, and prayer.

Join an LCN Local Center

Josh Coldren, LCN Local Center Leader in Wilkes-Barre, Pennsylvania, encourages you to join an LCN Local Center. As pastors and leaders, we all go through peaks and valleys in ministry. An LCN Local Center is a place where you can come together with other pastors in your community to share, encourage, pray for one another. Ministry does not have to be done alone. "Called to bear the presence and message of Jesus Christ around the globe."

Liberty Baptist Fellowship (LBF) was first established in 1982 when several graduates of the seminary expressed their desire to become chaplains in the United States Armed Forces. Under the leadership of Dr. Dennis Fields, Dr. Lew Weider, Dr. Charlie Davidson, and now Dr. Steven Keith and Dr. Keith Travis, LBF continues to be the endorsing agency for hundreds of chaplains serving in the military, healthcare, prisons, public safety, and in many other community positions.
