Dr. Steven Keith Delivers Address at LU Military Graduate Recognition Ceremony

Dr. Steven Keith, Executive Director for the Center for Chaplaincy, delivered the keynote address at Liberty University's Military Graduate Recognition Ceremony on May 6, 2022. What an honor and privilege it is to send off military, veteran, and chaplain students and their families with a biblical word of encouragement. We are always mindful of the sacrifice that these and countless other service members make to help protect our freedoms.

How to Help People Understand the Importance of Discipleship

Bobby Stepp, Lead Pastor of New Hope Bible Church in Front Royal, Virginia, shares how his church overcame the challenge of helping people understand the importance of discipleship. It is one thing to disciple people in your church; it is an altogether different challenge to get those people to disciple others. Disciple-making is not an optional activity; it is a direct commandment. Demonstrate this important tenet of our faith and encourage people to do the same. Let's make disciples who make disciples to build his Kingdom together.

Finding Encouragement Through LCN Local Centers

Jarret Hamilton & Matt Walton, LCN Local Center Leaders in Clayton, North Carolina, encourage you to join an LCN Local Center. Ministry can be challenging and difficult. LCN and our Local Centers are a place for you to build strong relationships with fellow pastors in your community. Share the burden of ministry and encourage one another to be healthy leaders and disciple-makers.

If you would like to join or start a Local Center in our area, you can find more information [here](#).

"Called to bear the presence and message of Jesus Christ around the globe."

Liberty Baptist Fellowship (LBF) was first established in 1982 when several graduates of the seminary expressed their desire to become chaplains in the United States Armed Forces. Under the leadership of Dr. Dennis Fields, Dr. Lew Weider, Dr. Charlie Davidson, and now Dr. Steven Keith and Dr. Keith Travis, LBF continues to be the endorsing agency for hundreds of chaplains serving in the military, healthcare, prisons, public safety, and in many other community positions.
