Message from the President: Vision for 2023

Nathan Cline, LCN President, shares LCN's church-planting vision for 2023. As we reflect on God's many blessings in 2022, we are thankful that he has given us a renewed desire to plant healthy and thriving churches throughout the country. We look forward to how he will use us and our partner churches to come alongside church-planters as we continue to work towards the mission to make new disciples who make new disciples.

Making Disciples by Bridging Generations

Timothy Worles of Calvary Baptist Church in Radford, Virginia, shares how they have modeled Titus 2 in making disciples. Tim and his church committed to bring together older and younger generations with the express purpose of making disciples. What a beautiful manifestation of Scripture: the older, more experienced disciples pouring into the younger yet eager ones. Bridge the divide and bring people together so that they may grow in their relationship with God and with each other.

Start an LCN Local Center to Connect Pastors in Your Community

Donnie Williams, LCN Local Center Leader in Raleigh, North Carolina, encourages you to start an LCN Local Center in your area. Local Center meetings are aimed at encouraging and equipping pastors to be better disciple-makers. We share in each others burdens, connect people and resources to better serve the community, and learn from one another about how to make disciples who make disciples.

If you would like to join or start a Local Center in our area, you can find more information [here](#).
