Nathan Cline, LCN President, shares exciting news about what our LCN churches and Local Centers have been doing so far in 2023. In just the eight weeks of the calendar year, sixty LCN churches have made 1,491 new disciples! Praise God! We are thrilled to see God moving in the lives of his people as they follow his command to go and make new disciples. We love that we get to celebrate with and encourage one another through our Local Centers.

## What Does Daily Discipleship Look Like?

Jon Lilly of Harmony of Avon and the LCN Local Center in Avon, Indiana, shares his thoughts on the daily practice of discipleship. What does loving God and loving people look like in our everyday lives? How are we worshiping God, giving of our time and resources, and serving those around us? Let your love for God and love for others unfold in your daily walk as well as in your church.
