Message from the President: Being and Doing

The summer season can be a sneakily busy one for many people. Despite the break from school and other commitments, the summer schedule can be jam-packed with things that may distract us from what is important. Nathan Cline, LCN President, challenges you to focus not just on *doing* things but on *being*. Especially during this season, make a conscious effort to be with God. Spend time with him by reading his word and praying. Focus on the right things this summer so that we can be more effective disciple-makers.

LCN Disciple-Making Cohort

The LCN Disciple-Making Cohort met last month for our first meeting in Raleigh, NC. It was a time of in-depth teaching as our coaches poured into pastors and leaders about the mission of making disciples. We will spend the next few months developing specific and tailored disciple-making plans. We are so excited to see how God will move through this cohort to equip and empower many to make new disciples.

Speaking Greatness in Others

Luke McClain of Crossroads Ministries and the LCN Local Center in Pittsburgh, Pennsylvania, challenges pastors and leaders to empower those around them to make new disciples. Sometimes people need pastors and leaders to acknowledge, encourage,

and cultivate their God-given gifts. As a pastor or leader, when you recognize someone's special skill or talent, embolden them to use those skills and talents to build God's kingdom.

Liberty Baptist Fellowship is the chaplain endorsement branch under Liberty Church Network. LBF was first established in 1982 and continues to be the endorsing agency for hundreds of chaplains serving in the military, healthcare, prisons, public safety, and in many other community positions.
