LBF CHAPLAINS

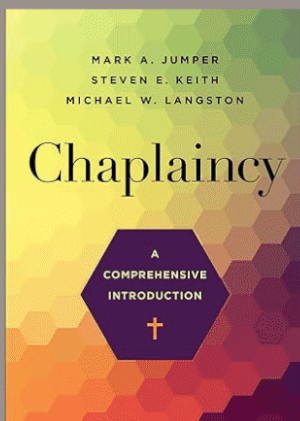

Chaplaincy: A Comprehensive Introduction

LBF Endorser Dr. Steven Keith has co-authored a new book published by Baker Academic, just released on March 26th. A Biblically and Constitutionally based textbook for Liberty chaplain students and LBF chaplains in the field. The book is endorsed by Dr. Dondi Costin, Franklin Graham, and Chaplain (Major General) Doug Carver who states, "Arguably the premier book on chaplaincy ministry. This book should be on every pastor and religious leader's bookshelf." You are encouraged to get a copy to inform you well about chaplaincy, a ministry outreach of the local church.

Bearing the Presence and Message of Christ!

LBF Chaplain Matthew Spurgeon, who serves with the 369th Recruiting Group, reflects, "I'm amazed at the opportunities to share Jesus across Military installations. As an Air Force Chaplain, I am serving at JBSA Lackland, Texas, on the preaching team for the Protestant Contemporary Worship Service. Each Sunday we reach 2,800-3,000 trainees across three services, many aged 18-25, who've never been to church or heard the Gospel. This is a crucial time in their lives, and I'm overwhelmed as we proclaim the good news, seeing God call over 300 trainees to repentance and a life of following Jesus!!"

This comprehensive introduction to the ministry of chaplaincy brings together three authors who oversee three of the leading chaplaincy programs in the United States. Written from an evangelical perspective, the book covers the foundations of chaplaincy and surveys specific types of chaplaincy work.

Worship and Technology Conference

The Worship & Technology Conference is a one-day event held at Liberty University School of Music in Lynchburg on May 31, 2024, from 9:00 AM to 4:30 PM. Attendees will have the opportunity to enhance their skills and learn new ideas for their church's worship and technology ministries through breakout sessions covering various topics such as audio, building worship teams, social media, video, and more.
