Liberty Baptist Fellowship - Honoring the Fallen

One of the most sacred missions a Military Chaplain gets is the privilege of honoring the dead. Whether it is on a battlefield, at a church, in a cemetery, or even at sea, this no-fail mission remains the same; to honor those who paved the way to freedom for this Great Nation and to nurture their grieving family and friends who are in attendance.

On April 24th, the local Florida Army Reserve Military Funeral Honors (MFHs) team was honored to volunteer in training some of the local 'Coasties'. LBF Chaplain (CPT) Josh Merritt was an integral part of this leadership team, along with fellow soldiers 1SG Paul and LTC Fountaine.

Chaplain Merritt states, "While instruction publications exist for both branches on how to conduct MFHs, nothing is better than having experts like 1SG Paul and LTC Fountaine, who combined have over two decades of experience, to offer firsthand guidance and instruction. The US Army Reserves 81st Readiness Division is grateful for the opportunity to educate in this solemn and long-standing mission with the US Coast Guard."
