## Following Christ - Jonathan Lilly

[More about Local Centers](#)

Summer provides a wonderful opportunity for our endorsers to visit chaplains to support, mentor, and encourage them in their ministry endeavors. In June, Dr. Keith and his wife Delta visited seven military installations across the West and Mid-West where they were able to connect with dozens of our chaplains, visit their ministry sites, meet with their commanders, attend their worship services, and fellowship with them and their families, often over a meal. Further, Delta was able to meet with and encourage several chaplain wives at each location. One of the highlights of Dr. Keith's and Delta's visits was participating in the Sunday morning worship service for new Air Force recruits at Lackland Air Force Base in San Antonio TX. Chaplain Matt Spurgeon preached the Gospel to a large crowd and the aisles were flooded during the invitation for salvation. What a blessing for Dr. Keith and Delta who were able to pray with dozens at the altar. Dr. Keith noted that "All our chaplains are doing a phenomenal job bearing the presence and message of Christ! I could not be prouder of them. What an amazing opportunity the Lord has presented to our chaplains to bring the light of Christ into the darkness (Matt 5:14)." [Highlights of Summer Visits](#)
