WHAT IS LCN?

LCN member churches and pastors partner to advance the Great Commission and the mission of "Making New Disciples" and planting "Disciple-making Churches" in their churches, cities, nation, and world (Mt 28:19-20). Our members fellowship together, give to the mission, and serve with each other to make disciple-making the focus and goal of all that we do. Our programs and benefits focus on helping churches improve at making new disciples among their people. We have planted over 5,000 churches and are continuing that mission today.

WHAT MEMBER CHURCHES RECEIVE:

LCN members can participate in all our programming at no charge, whether it's a network gathering of pastors, a disciple-making cohort, a conference, or our church planting efforts. LCN is also privileged to be part of the Liberty University family, and we offer our member churches a unique benefit.

Member churches receive two 50% tuition scholarships for staff members to the Liberty Theological Seminary.
