7 Cities. 1 Mission. Countless Lives Impacted.

www.libertychurchnetwork.com

Over the past few months, Liberty Church Network had the incredible opportunity to host **REFUEL ONE DAY** conferences in 7 cities, stretching from **Pittsburgh, PA** to **Pompano Beach, FL**. In each location, pastors and ministry leaders came together for a powerful day of **encouragement, equipping, and connection**, all centered on the mission of making disciples. These gatherings sparked fresh vision, built meaningful relationships, and reenergized leaders for the work ahead. Now, we're looking forward to what's next—our **National Conference in Lynchburg, VA | October 6th through the 7th**. It will be a time to unite as a network, go deeper in mission, and continue advancing the Gospel—we hope to see you there!

We Need Each Other - Scott Randlett

LCN Membership

LCN member churches and pastors partner to advance the Great Commission and the mission of "Making New Disciples" and planting "Disciple-making Churches" in their churches, cities, nation, and world (Mt 28:19-20). Our members fellowship together, give to the mission, and serve with each other to make disciple-making the focus and goal of all that we do. Our programs and benefits focus on helping churches improve at making new disciples among their people. We have planted over 5,000 churches and are continuing that mission today.

What Member Churches Receive:

LCN members can participate in all our programming at no charge, whether it's a network gathering of pastors, a disciple-making cohort, a conference, or our church planting efforts. LCN is also privileged to be part of the Liberty University family, and we offer our member churches a unique benefit. Member churches receive two 50% tuition scholarships for staff members to the Liberty Theological Seminary.

J.J Shares why YOU Should join DMC!

The LCN Disciple Making Cohort (DMC) is designed to equip pastors with biblical disciple-making processes that can be effectively implemented in their ministries. Over the course of nine months, pastors from all church models will engage in practical, biblical training led by experienced lead pastors and ministry leaders who have a proven track record of making disciples.

Each pastor will be paired with a dedicated coach who will walk alongside them and their team, helping to develop, refine, and implement a disciple-making strategy tailored to their unique ministry context.

“You have church, you do all the things you do—but how does it all work together?”

J.J. Chiara from *New Life Covenant Church* asked this critical question—and found clarity through the **Disciple Making Cohort (DMC)**.

If you're ready to align everything your church does around disciple-making, this **9-month journey** is for you.
