In a season when ministry feels more challenging than ever, we need a place to come together—to worship, be encouraged, and be reminded that we're not alone.

Join us **October 6–7 in Lynchburg, VA** for REFUEL—a free conference where pastors and ministry leaders from across states (and even the world) gather to be refreshed. Beyond powerful sessions and breakouts, it's a time to build lasting friendships that will strengthen your ministry long after the conference ends.

5,000 Churches in 10 Years

At REFUEL, LCN is excited to launch a brand-new **church planting initiative** with a bold vision: to plant **5,000 churches in the next 10 years**. We believe that *churches plant churches*, and through this initiative we will identify disciple-makers, pastors, teachers, and leaders and connect them with healthy LCN churches. From there, these churches will provide a strong support system to equip, encourage, train, and fund new disciple-making congregations. In partnership with Liberty University, we're also able to offer world-class training and education to prepare leaders for the work ahead. Together, we're committed to multiplying healthy, mission-driven churches that will bring the hope of the Gospel to communities near and far.
