

Across Liberty Church Network, churches are investing in leaders, planting churches, building relationships, and making new disciples. Here's a look at some of the ways you can connect and be part of what God is doing through our network.

Refuel:

Learn From Leaders. Connect With Others.

Join us October 19–20 at Thomas Road Baptist Church in Lynchburg, Virginia. Refuel is completely free, giving you an opportunity to step away from the demands of ministry, be encouraged, and invest in your calling.

Refuel 2026 is bringing together pastors, ministry leaders, and church teams for two days of encouragement, teaching, worship, and practical ministry conversations. This year's speakers include Jonathan Falwell, Clayton King, Dondi Costin, DJ Horton, Chaplain (Col.) George Youstra, and Charles Billingsley.

LCN Member Reception: Ministry is Better Together

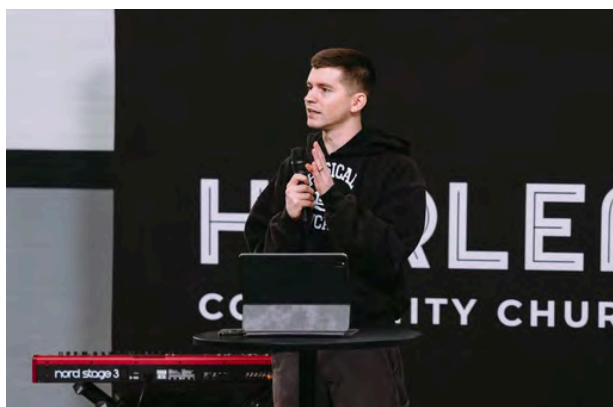

Being part of Liberty Church Network means being part of a family of churches committed to making new disciples, planting churches, and equipping ministry leaders.

We'd like to invite our LCN members to join us for a special member dinner during Refuel. If your church is a member of LCN and you'll be joining us at Refuel, we'd love for you to gather with us for an evening of connection, conversation, and encouragement.

Please **RSVP** to Rob Wetzel at

Church Planting: Multiplying Churches. Making New Disciples.

Every member plants churches. Through prayer, giving, church adoption, coaching, relationships, and direct involvement, LCN churches are helping multiply new churches and make new disciples. Together, we're working toward the vision of Mobilizing 1,000 Churches to Plant 5,000 More.

This year at Refuel, we're excited to recognize 15 church planters who are stepping out to help reach new communities and make new disciples. We look forward to praying for and celebrating these leaders as they follow God's call to plant new churches.

Residencies & Scholarships:

Build a Pathway for Future Leaders

The best ministry training happens when biblical education and hands-on experience come together. Through ministry residencies and internships, churches can give future ministry leaders an opportunity to serve, learn, and grow in the context of a local church while pursuing their education through Liberty Theological Seminary.

LCN partner churches can help make that opportunity more accessible through a 50% tuition scholarship, allowing students to pursue seminary education while serving in their home church. It's a chance to invest in someone today who can help make new disciples tomorrow.

Ministry Career Fair:

Come See Us at the Ministry Career Fair!

LCN will be there, and we'd love to connect with you! Whether you're looking for a resident, intern, or future ministry leader, come meet the next generation of those preparing to serve the church and make new disciples.

Come connect with us at the Liberty University Ministry Career Fair on **October 27 from 10 AM – 4 PM** at LaHaye Courts. This is an opportunity to meet students exploring their next steps in ministry and connect with churches looking for future leaders.

Liberty Baptist Fellowship:

A Calling Beyond the Church Walls

Not every ministry opportunity happens inside the walls of a church. Liberty Baptist Fellowship comes alongside chaplains serving in the military, healthcare, corrections, public safety, athletics, corporate, and community settings, providing endorsement, pastoral care, and encouragement.

For LCN churches, this is another opportunity to invest in ministry leaders and help send them where God has called them. Through Liberty Theological Seminary and LBF, qualified leaders can pursue chaplaincy training with a 50% tuition scholarship through their LCN partnership.
